

Hello!

As a fellow Chilliwack, BC resident, I wanted to let you know that I've been selected to appear in an upcoming episode of **Dragons' Den**, airing Wednesday, **March 14** 2012 at 8 p.m. (8:30 p.m. in NFLD) on CBC Television.

I started **My Ventex** a year ago after working with the Ventex System for the past 18 years. Ventex is an odour removing toilet system that is 100% guaranteed to eliminate odours at the source. The System is IAPMO and CSA approved. Any existing 2-piece toilet can be converted to the Ventex System or there are 3 pre-cast models to choose from. The Ventex system is also completely hidden from view and eliminates the need to mask bathroom odours. A simple bar of soap or vase of flowers can be the dominant fragrance in the room.

I am grateful for all the support I've received in my hometown and I'd love to talk to you about my experience pitching on the show. Please feel free to contact me at 604-703-4917 to set up an interview or to view my product Ventex in advance of my appearance.

If you are interested in speaking to any of the Dragons or host Dianne Buckner, please feel free to contact Erin Richards at Veritas Communications, (416) 955-4592, richards@veritascanada.com

Thank you.

Paul Martens
